one of the 10 must read histories of the palestine israel conflict
ian black literary hub on the 100th anniversary of the balfour declaration
the new edition of the acclaimed text that explores the issues continuing to define the israeli palestinian conflict
numerous instances of competing sometimes

incompatible narratives of controversial events are found throughout history perhaps the starkest example of such contradictory representations is the decades long conflict between israel and palestine for over 140 years israelis palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution the israel palestine conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution author neil caplan helps readers understand the complexities and contradictions of the conflict and why the histories of palestine and israel are so fiercely contested now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation new discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the middle east the role of public intellectuals and the growing trend of merging scholarship with advocacy part of the wiley blackwell contested histories series this clear and accessible volume offers a balanced non polemic approach to current academic discussions and political debates on the israel palestine conflict highlights eleven core arguments viewed by the author as unwinnable encourages readers to go beyond simply assigning blame in the conflict explores the major historiographical debates arising from the dispute includes updated references and additional maps already a standard text for courses on the history and politics of the middle east the israel palestine conflict is an indispensable resource for students scholars and interested general readers

an updated edition of this best selling introduction to the conflict with coverage of all the recent events the new edition of this best selling book gives a thorough and accessible account of the history behind the palestine israeli conflict its roots and the possibilities for the future new material outlines recent developments while an updated conclusion consists of a direct debate between the two authors which raises many issues yet offers real solutions to which future peace talks may aspire

first published in 1988 the palestine question presents the highlights of the palestine issue in a succinct objective and well documented manner the author reveals a fundamental fact which has apparently been overlooked namely that the conflict is not restricted to the territories seized by israel in 1967 that is the west bank and the gaza strip which represent 20 of palestine but concerns an area five times greater that is the whole territory of palestine as well as the fate of more than 5 million palestinians the author has done what has not been done before he offers judicious peace plan based on right and justice for the intractable arab israeli conflict and its root cause the palestine problem this book constitutes an indispensable reference work and essential reading for all who are concerned with middle east and world peace

the palestine israel conflict is the most notorious and ingrained conflict of the twentieth and now twenty first century yet the way it is reported in the media is often confusing leading many to assume the hostilities stretch back to an ancient period the palestine israel conflict is the first book to provide a clear accessible and annotated introduction that covers the full history of the region from biblical times until today perfect for the general reader as well as students it offers a comprehensive yet lucid

rendering of the conflict setting it in its proper historical context harms and ferry show how today s violence is very much a product of recent history with its roots in the twentieth century this balanced account is now fully up to date including the ongoing situation in gaza making it a valuable resource for anyone who wants a clear guide to the conflict between israel and the palestinian territories and its place in the history of middle eastern affairs

this comprehensive compilation of some 595 documents on the arab israeli conflict and a variety of related issues includes all the materials the researcher analyst and student of this conflict and region needs in a single text from the years 1897 to 2003 documents are listed in chronological order because many documents refer to more than one subject they are however identified in the introduction according to subject matter when different aspects recurred in a number of un resolutions only the main document is included while others are referred to the compilation is not only about palestinian issues it includes all relevant documents between arab states and israel from the armistice agreements 1949 to the peace treaties with egypt 1979 and jordan 1994 as well as their protocols and other documents that derive from these treaties the subject matter content is as varied as the legal and political issues presented by this conflict it includes geographical boundaries refugees water rights regional security elimination of weapons of mass destruction and of course human rights and peace published under the transnational publishers imprint the print edition is available as a set of two volumes 9781571052902

eighteen eminent contemporary scholars on the middle east clarify the historical background of the arab israeli conflict present careful analyses of the economic social and demographic aspects of the area and lay the foundation for a better understanding of the relevant political problems on which a peaceful settlement rests no 1 in the series contents introduction michael curtis part one arabs and jews in the middle east israel and palestine the political use of ethics ben halpern intergroup relations in israel hugh m smythe and sandra weintraub ethnic relations in israel yochanan peres the palestine arabs a national entity don perer who are the palestinians marie syrkin discussion part two economic historical and geographical perspectives economic aspects of the arab israeli conflict eliyahu kanovsky the ba ath in syria sylvia g haim arab refugees and the arab israeli dilemma fred khouri the second arab awakening jon kimche demography and geography in palestine samuel merlin discussion part three political dynamics and the arab israeli conflict political systems of the middle east opening remarks irving louis horowitz the fiasco of anglo american middle east policy amos perlmutter the middle east and the great powers f h hinsley ending the arab israeli conflict yehoshafat harkabi clashing horizons arabs and revolution abdul aziz said the new left and israel shlomo avineri closing horizons israelis and nationalism gil carl alroy discussion

the main focus of this book is jewish life under the soviet regime the themes of the book include the attitude of the government to jews the fate of the jewish religion and life in post world war ii russia the volume also contains an assessment of the prospects for future emigration

dr gilkis life changing message is physical activity is for everyone at any age it can improve the

quality of life the physical and mental health dramatically and be a source of joy and satisfaction

this book presents a well researched account of the palestinian israeli conflict from the palestinian perspective this book is a solid account of the dispossession and exodus of the palestinians what is ultimately a sad and depressing story the book primarily relies upon first hand accounts from palestinian refugees and from examinations of surviving primary documentation in addition to an analysis of other research works this encyclopedia is a valuable resource for those seeking to understand why the palestinians and many arabs perceive the palestinian israeli conflict so differently from that of israelis europeans and americans

the substance of this volume was read as a paper before the jewish historical society of england on february 11 1918 it has now been expanded and supplied with a full equipment of documents in the hopes that it may be useful to those of our communal organizations whose duty it will be to bring the still unsolved aspects of the jewish question before the coming peace conference the book deals with the jewish question in various european countries in the 19th early 20th centuries
